Marker lamp FT-070

Part no.: FT-070

from €6.50

€5.24 excl. VAT · €6.50 incl. VAT

Fristom

Description

The unique lamp construction solution which increases air-tightness and the light and electronic components resistance to any external conditions. The revolutionary system of assembly – there are no visible signs of joining bodywork with lamp surface. The lamp is available in two versions and presents a revolutionary light emission system which goes along with an innovative design. This combination procures that with the highest probability our lamp is the most recognizable and eye-catching product on the market.

2-functional LED clearance lamp – low power consumption

European E9 homologation

ElectroMagnetic Compatibility – EMC certificate

Shock-resistance – PC lampshade

Optional polarity connection

The lamp meets ADR requirements.

Specifications
